**Spiced Ginger Peach:** The perfect way to warm up. ●

**Strawberry Pomegranate:** Tangy strawberry and pomegranate.

## Green Tea Selection

The special processing of Green Teas results in them retaining a higher level of natural antioxidants. For this reason, Green Tea is known all around the world for its great variety of health benefits.

- Black Raspberry Green:* Deep raspberry flavor.
- Blood Orange Green:* Gourmet orange flavor in a green tea.
- Butterscotch Green:* New for the fall! ●
- Cherry Blossom Green:* Succulent and sweet.
- Chinese Orange Blossom Green:* An exotic orange blend.
- Mint Green:* Refreshing green taste. ●
- Pear Green:* Classic green blended with fresh pear. ●
- Strawberry Green:* Simply strawberry.
- Strawberry Pomegranate Green:* A unique pair.
- Tropicana Rainforest Green:* An exotic flavor mixture.

## Tisane & Rooibos Selection

Herbal and Rooibos teas are not tea at all! Neither comes from the *Camellia sinensis* plant, from which tea as we know it is produced. Herbals come from many different plant sources and are actually known as Tisanes, or herbal infusions. Rooibos is from the plant *Aspalathus linearis*. It is sometimes called "Red Tea." Rooibos is naturally sweet, naturally calorie free, and naturally decaffeinated!

- Chamomile Lemon Tisane:* A calming, caffeine-free mix.
- Ginseng Peppermint Tisane:* A naturally sweet, smooth, pleasing flavor.
- Botswana Blossom Rooibos:* Citrus, apple, almonds and vanilla.
- Good Hope Vanilla Rooibos:* Sweet vanilla beans with a hint of cream. ●

## Decaffeinated Tea Selection

- Blueberry Vanilla*
- Butterscotch Caramel Toffee* ●
- Cariba*
- Chai-Spice* ●
- Earl Grey*
- English Breakfast*
- French Caramel Crème Brûlée* ●
- Orange Cranberry Spice* ●
- Peach Melba*
- Pumpkin Crème* ●
